+ WORK EXPERIENCE

● Commercial Bank of Qatar (Vismaya Contractor)   MAY 2023 - PRESENT
Doha
SENIOR SOFTWARE ENGINEER

- **Conceptualized, architected, and led** the development of a **next-generation Corporate Internet Banking (CIB) portal**, providing seamless access across **mobile, tablet, laptop, and desktop** with an intuitive UI and enhanced corporate banking features.

- **Designed and delivered a complete in-house solution** for **CBQ's Finance Trade Portal (FTP)**, replacing a costly outsourced service. This strategic initiative saved the bank **10M QAR over a 5-year licensing period** while giving full ownership and flexibility over the platform.

- **Created and implemented a unified ticketing and complaint management system** for POS and ATM operations, integrating both **web and mobile platforms** to enable faster resolution times, real-time status tracking, and improved operational efficiency.

● Kellton Tech   APR 2022 - JAN 2023
Gurugram
LEAD ENGINEER

- **Developed and optimized** the **Adani One: Travel and Beyond app**, contributing to its success in surpassing **1 million downloads** by delivering a fast, reliable, and user-friendly travel experience.

- **Engineered core features** for the **Akbar Travels One: App**, enabling seamless **flight and hotel bookings** and helping the app achieve **1 million+ downloads** with improved stability and performance.

● SubcoDevs   OCT 2020 - APR 2022
Noida
SR. MOBILE APPLICATION DEVELOPER

- Developed various client apps across **Android, Flutter, and Android TV platforms.**
